

A cross-sectional diagram of a concrete floor system. It shows a horizontal slab with a stippled texture. A vertical wall is on the left, and a horizontal wall is on the right. Tie bars are shown as small circles connecting the vertical wall to the slab. Labels include: 'TIE BARS CAST WITH LIFT SHEET WALL' pointing to the tie bars, and '250 PC. FLOOR WITH 100 STRUCTURAL TOPPING' pointing to the slab.
